

How To Save Over 66% On Your Next Flight With CARDUP

What is CardUp?

CardUp lets you shift your large expenses traditionally made by cash, cheque, or bank transfer onto your credit card, even if your recipients don't accept cards. No more missing out on card perks like air miles, cashback, or points!

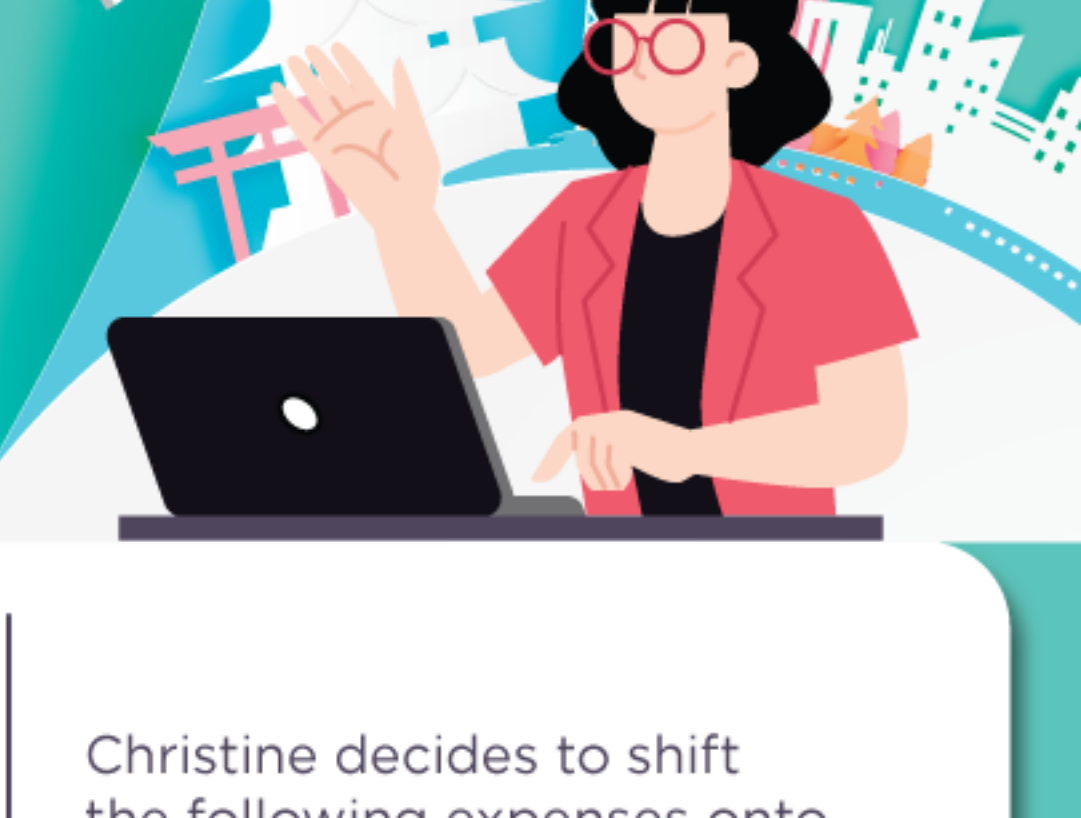

Meet Christine.

She's planning a trip to Tokyo, Japan

She realised she can earn miles faster than ever by using

CARDUP

to pay her big monthly bills.

Types Of Payments

Christine decides to shift the following expenses onto her Alliance Bank Visa Platinum Card via CardUp:

- Rent
- Education loan
- Car Loan
- Insurance
- Seasonal Parking Payments

= RM 6,000 Monthly Spend

Additional Benefits

Maximises Card Rewards

She maximises the number of rewards she earns from her credit card issuer, by paying for more expenses with her credit card.

Holds On To Her Cash For Longer

Her bills are paid on time but she gets to hold on to her cash for up to 2 more months, until her card bill is due.

Never Worry About Late Payments Again

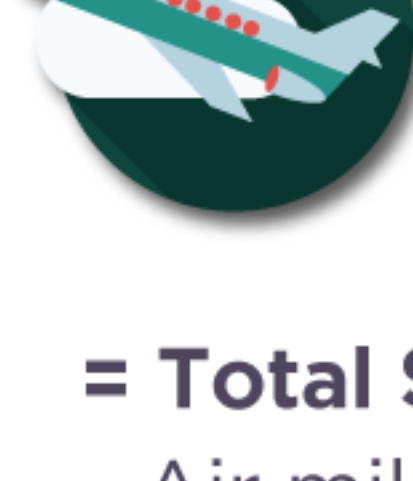

She is able to schedule a year's worth of payments in advance, so she never has to worry about missing a payment again

Time For Christine's Vacation to Tokyo, Japan!

What She Got In Return:

+ With her **RM72,000 annual spend**, she is rewarded with over **58,500 air miles**.

What She Redeemed:

– One (1) **Return Economy**
